**NOTICE OF EX PARTE COMMUNICATION  
BY THE OFFICE OF RATEPAYER ADVOCATES**

The Office of Ratepayer Advocates (ORA) submits this Notice of Ex Parte Communication pursuant to Rule 8.4 of the California Public Utilities Commission's (Commission) Rules of Practice and Procedure.

On May 25, 2016, ORA's Director, Elizabeth Echols met with Commission President Michael Picker. The meeting took place at the California Public Utilities Commission (CPUC), 505 Van Ness Avenue, San Francisco, California 94102. Director Echols initiated the meeting, which lasted less than two minutes at approximately 5:10 p.m.

In the meeting, Director Echols advised President Picker that ORA would be filing an application for rehearing of Decision (D.) 16-05-007 in the above captioned docket. She stated that while ORA was not contesting the transfer of control, the application was an effort to correct what ORA believed to have been an inadvertent omission from the decision's ordering paragraphs of commitments agreed to by the Joint Applicants. She noted that the application

also seeks to reconcile the decision with the FCC Order preventing Charter from imposing data caps for at least seven years following the adoption of the Commission Decision.

Respectfully submitted,

/s/ TRAVIS T. FOSS
